Notes
Returns "2"
Returns "200"
Returns "27"
Returns "300"
Returns "125"
Returns "0.5"
Returns "250"
Returns "535"
Returns "Error"
Returns "NaN"
Returns "undefined"
Doesn't run
Returns "5"
Always returns the first number/I don't knowhow to fix this
Returns "Error"
Returns "Error"
Returns "Infinity"
Returns "Error"
Returns "Infinity"
Returns "18.181818181818183"
Returns "25"
Returns "Error"
Returns "1"
Returns "30.3208"
